I work raw clay at the potter's wheel, with slab or by modeling. The pieces produced are then baked twice in a potter's gas oven. Although it is always preferable to control each step of production of a ceramic object, I try to give an element of chance and fantasy to my work. I will be happy to welcome you at my workplace, which now has a small sales area.

Open from 15/01/2024 to 31/12/2024:
Wednesdays from 2pm to 6pm or by appointment on other days.
